E-mail: Roxana@ushydrogenalliance.org **Phone:** 818-642-8064

Internship available these semesters (please mark one or more semesters):

Spring: X **Summer:** X **Fall:** X

Brief description of Your Organization:

The United States Hydrogen Alliance (USHA) is a member-based non-profit trade association. We are dedicated to building the hydrogen economy by advancing the market for hydrogen and fuel cells in the commercial sector within the United States.

Describe the nature/goals of the project(s):

To develop and educate the upcoming generation on hydrogen and environmental policy. We provide policy and communications research opportunities.

Please list the required and/or desired skills and qualifications:

Students with a Political Science, Policy, Communications, Engineering, or Environmental Studies background.

How to Apply:

Please send your applications to alec@ushydrogenalliance.org
