EDUCATION

2017	Ph.D., Environment and Resources, Stanford University
2009	Graduate Certificate, Science Communication Program Univ. of California, Santa Cruz
2008	M.S., Marine Science, Moss Landing Marine Laboratories, California State University
2001	B.S., Biology, Bates College

PROFESSIONAL EXPERIENCE

Academic

2017-present	Assistant Professor, University of Colorado, Boulder, Environmental Studies.
2017-present	Faculty Affiliate, Center for Science and Technology Policy Research, CU Boulder

Policy & Outreach

2018-present	Scientific Committee on Antarctic Research, Standing Committee on the Antarctic Treaty System, member
2018	Greenpeace, Antarctic Expedition Scientific Advisory Council
2014-18	Pew Charitable Trusts. Washington, DC. Science advisor, Southern Ocean Sanctuaries Campaign.
2013-18	National Geographic. Washington, DC. Guest blogger for <i>Ocean Views</i> news blog.
2015-16	Conservation International. Washington, DC. Consultant, Oceans campaign.
2012	Antarctic and Southern Ocean Coalition. Washington, DC. Contract writer, marine protected area policy reports.
2010-12	The Last Ocean. News Director (Boulder, CO) and USA Coordinator (Christchurch, New Zealand) on international outreach effort focused on protecting the Ross Sea, Antarctica.
2009-12	Society for the Advancement of Chicanos and Native Americans in Science. Founder & video producer for SACNAS Science Video Podcast series; Writer for biography project & <i>SACNAS News</i> .
2011	Sanctuary: The Last Stand for Sharks, in partnership with the Pew Charitable Trusts. Development & execution of high impact media.
2011	Guardians of Raja Ampat, in partnership with Conservation International. Development of high impact conservation media in remote communities of Raja Ampat, Indonesia.
2009-11	Point Reyes National Seashore, National Park Service, Point Reyes, CA, Science communication specialist, producing science podcasts, videos & slideshows.
2010	Seattle Times. Seattle, WA. Kaiser Media Health Fellow Intern, Reported on health, science & environment with an emphasis on minority and diverse communities.
2007-10	Winds of Change. Contributing writer and editor. Magazine of the American Indian Science and Engineering Society.
2009	Stanford University. Stanford, CA. Science & environmental writing intern for Stanford University press office & Stanford University Woods Institute for the Environment.
2008	Santa Cruz Sentinel. Santa Cruz, CA. 2008. Science writing intern.
2008	San Francisco Exploratorium, San Francisco, CA. Contributor to the International Polar Year National Science Foundation "Ice Stories" outreach effort.
2002-03	Summit Achievement. Stowe, ME. Wilderness Therapy Guide.

2002-03 Student Conservation Association. Crew Leader, student trail crews in National Parks.
 2001 Sierra Club & NH Public Interest Research Group, Concord, NH. Field Manager.
 2001 Hurricane Island Outward Bound Southern Programs. FL, Wilderness Therapy Guide.
 1998 New England Aquarium. Boston, MA. Environmental Education Intern.

Scientific Field Research

2013 Stanford University. Stanford, CA. Research assistant on National Science Foundation TRACERS cruise: *Tracing the fate of Algal Carbon Export in the Ross Sea, Antarctica*.
 2006-11 Antarctic Marine Living Resources, NOAA. La Jolla, CA. Seasonal research technician on Antarctic zooplankton and finfish survey cruises.
 2008 Moss Landing Marine Laboratories. Moss Landing, CA. Research technician, California Collaborative Fisheries Research Program, tagging fish in collaboration with CA fishers.
 2004-08 Moss Landing Marine Laboratories. Moss Landing, CA. Graduate research assistant on NSF grant: *Radiometric Age Validation of the Patagonian and Antarctic toothfishes*.
 2002-03 National Marine Fisheries Service. Gloucester, MA. Fisheries Observer.
 2000 School for Field Studies. Bamfield, British Columbia. Environmental field & coursework.
 2000 Virginia Institute of Marine Science. Gloucester Pt., VA. Research Experience for Undergraduates.
 1999 Mount Desert Island Biological Lab. Salisbury Cove, ME. Research Experience for Undergraduates.
 1998 Shoals Marine Laboratory. Appledore Island, ME. Summer field & coursework.

3. Ainley D., **C. Brooks**, J. Eastman & M. Massaro. 2012. Unnatural selection of Antarctic toothfish in the Ross Sea, Antarctica. Pp 53-75. In *Polar Protection of the Three Poles*. F. Heuttemann (ed) Springer (Tokyo, Japan).

PRESENTATIONS

Invited

2017 Hopkins Marine Station, Stanford University, Monterey, CA.

2017 Korean Society of Oceanography. Busan, South Korea.
 2017 Shanghai American Center. Shanghai, China.
 2017 Conservation of Marine Living Resources in the Polar Regions: Science, Politics and Law. Wuhan University, Wuhan China.
 2017 National Center for Atmospheric Research. Boulder, CO.
 2016 New York University, School of Law. High Seas Workshop. New York, NY.
 2016 Antarctic & Southern Ocean Coalition. Antarctic Marine Protected Areas Workshop. Seoul, South Korea.
 2016 Korean Federation of Environmental Movement. Seoul, South Korea.
 2016 Marine Mammal Commission. Bethesda, MD.
 2016 Pew Charitable Trusts. Washington, DC.
 2016 Stanford University. Conservation in Antarctica Seminar. Stanford, CA.
 2015 Antarctica & the Strategic Plan for Biodiversity 2011-2020: the Monaco Assessment Workshop. Monaco.
 2015 Point Blue Conservation Science. Petaluma, CA.
 2014 Scientific Committee on Antarctic Research. Auckland, New Zealand (with D. Ainley).
 2013 Georgetown University. Antarctic Governance & Natural Resources Seminar. Washington, DC.
 2013 Fishwise. Santa Cruz, CA.
 2012 Scientific Committee on Antarctic Research. Association of Polar Early Career Scientists' Panel. Portland, OR.
 2012 Scientific Committee on Antarctic Research. Climate Change for Polar Institutions' Panel. Portland, OR.
 2012 NOAA. Ross Sea Marine Protected Area Planning Workshop. La Jolla, CA.
 2011 The Coastal Society, Stanford University Chapter, Stanford, CA.
 2011 Point Reyes National Seashore, Pacific Coast Science & Learning Ctr, Point Reyes, CA.
 2010 Society for the Advancement of Chicanos & Native Americans in Science. Science Writing Panel. Anaheim, CA.
 2009 Society for the Advancement of Chicanos & Native Americans in Science. Science Writing Panel. Dallas, TX.

Talks & Symposia

2018 Scientific Committee on Antarctic Research. Davos, Switzerland. *Towards a representative network of protected areas in the Southern Ocean* (oral); *Leadership in conserving the global commons: Protecting the Ross Sea, Antarctica*.
 2018 Conference on World Affairs, University of Colorado, Boulder. Moderator.
 2018 International Arctic Workshop, Boulder, CO. *Changing climate patterns threaten West Antarctic Peninsula penguin populations* (with C. Torrens).
 2017 Scientific Committee on Antarctic Research, Biology Symposium. Leuven, Belgium. *Antarctic resilience through creation of an MPA network: Data needs and plans beyond the Ross Sea designation* (with N. Bransome).
 2016 Scientific Committee on Antarctic Research. Kuala Lumpur, Malaysia. *Competing values & political complexity in the Southern Ocean: CCAMLR & the challenge of marine protected areas*.
 2016 Scientific Committee on Antarctic Research. Kuala Lumpur, Malaysia. *Pleuragramma antarcticum distribution in the Ross Sea: patterns of early life history & evidence of a new nursery ground*.
 2016 Scientific Committee on Antarctic Research. Kuala Lumpur, Malaysia. *Science communication at the bottom of the world: Adventures in the Ross Sea, Antarctica*.

- 2015 American Association for the Advancement of Science. San Jose, CA. Symposium: *Can our ocean commons be sustainably managed? Innovative strategies for the high seas*. Panelists: C. Brooks, L. Crowder, U.R. Sumaila.
- 2015 American Association for the Advancement of Science. San Jose, CA. *Marine protection at the bottom of the world: the challenge of Antarctic high seas*.
- 2012 Scientific Committee on Antarctic Research. Portland, OR. *Exploiting the Southern Ocean: Rational use or tragedy of the commons?*
- 2012 Scientific Committee on Antarctic Research. Portland, OR. *Does large-scale circulation structure life history connectivity in Antarctic toothfish?*
- 2008 Scientific Committee on Antarctic Research. St. Petersburg, Russia. *Age validation and spatial distribution of the Antarctic toothfish, Dissostichus mawsoni: Implications for a deep-sea fishery*.
- 2007 American Fisheries Society. Anchorage, AK. *Age estimation and lead-radium dating of Antarctic toothfish*.
- 2007 American Fisheries Society. Anchorage, AK. *Radiometric dating of Antarctic toothfish* (poster).

POLICY REPORTS

1. [Tracking Antarctica: An update on the state of Antarctica and the Southern Ocean](#). 2016. World Wildlife Fund. 55pp. Expert Reviewer.
2. [Antarctic Ocean Legacy: Towards Protection of the Weddell Sea Region](#). 2014. Antarctic Ocean Alliance. 31pp. Expert Reviewer.
3. [Antarctic Ocean Legacy: Protection for the East Antarctic Coastal Region](#). 2012. Antarctic Ocean Alliance. 28pp. Lead Author.
4. [Antarctic Ocean Legacy: A Vision for Circumpolar Protection](#). 2012. Antarctic Ocean Alliance. 60pp. Lead Author.
5. [The Global Threat to Manta and Mobula Rays](#). 2012. Shark Savers and Wild Aid. 21pp. Editor.

TEACHING

Course Teaching

- | | |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2018 | University of Colorado, Boulder. Boulder, CO. Instructor, ENVS3030-001 (Upper division Undergrad). <i>Topics in ENVS Social Sciences: Environmental Governance</i> . |
| 2014 | Stanford University. Stanford, CA. Co-Instructor, ENVRINST 220 (Grad/Undergrad): <i>The Social Ocean: Ocean Conservation, Management, Ethics and Policy</i> . |

Guest Lectures

- | | |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2018 | University of Colorado, Boulder. ATOC 6020 (Grad) <i>Communicating Science</i> . |
| 2017 | University of Colorado. Boulder. Boulder, CO. GEOG 2852 (Undergrad) <i>Contemporary Southeast Asia: Environmental Politics</i> . |
| 2017 | University of Colorado, Boulder. Boulder, CO. IAFS 3000 (Undergrad) <i>Climate Affairs in the Developing World</i> . |
| 2017 | Stanford University. Stanford, CA. ENVRINST 220 (Grad/Undergrad): <i>The Social Ocean: Conservation, Management, Ethics and Policy</i> . |
| 2016 | Stanford University. Stanford, CA. ENVRES 315 (Grad): <i>Interdisciplinary Research Design</i> . |
| 2016 | Stanford University. Stanford, CA. ENVRINST 220 (Grad/Undergrad): <i>The Social Ocean: Conservation, Management, Ethics and Policy</i> . |
| 2016 | Middlebury Institute for International Studies. Monterey, CA. IEPG 8652 (Grad): <i>International Marine Law</i> . |
| 2015 | Middlebury Institute for International Studies. Monterey, CA. IEPG 8652 (Grad): <i>International Marine Law</i> . |
| 2014 | Middlebury Institute for International Studies. Monterey, CA. IEPG 8516 (Grad): <i>High seas management and conservation: Challenges and opportunities</i> . |
| 2014 | Stanford University. Stanford, CA. Think 40 (Undergrad): <i>A transition toward sustainability</i> . |
| 2013 | University of California, Santa Cruz. SCICOMM 160 (Undergrad): <i>Introduction to Science Writing</i> . |
| 2012 | Stanford University. Stanford, CA. PWR 1 (Undergrad): <i>Debating the Environment</i> . |

2010 Harvard University. Cambridge, MA. FOLKMYTH 126 (Undergrad): *Continuing Oral Traditions in Indigenous Communities*.

Workshop Teaching & Development

2018 Research and Innovation Office, Faculty Fellows Science Communication Workshop, University of Colorado Boulder, guest speaker.
 2017 United States National Committee of the Association of Polar Early Career Scientists Workshop on Communicating Science for Polar Scientists. Boulder, CO. Speaker.
 2012-16 Inter-campus Interdisciplinary Workshops in Environment & Resources. Liaison & organizer for graduate student and faculty workshops between UC Berkeley, UC Santa Cruz, & Stanford University.
 2015 Stanford University. Case Study & Qualitative Methods Working Group. Organized, instructed, and led quarter long seminar.
 2011 Society for Environmental Journalism. Video workshop, instructor.
 2010 Northern California Association of Science Writers. Multi-media workshop, instructor.
 2009 San Francisco Exploratorium. Multi-media training workshop, instructor.

AWARDS, GRANTS & FELLOWSHIPS

2018-2020 Pew Charitable Trusts, *Conservation Policies Towards Developing, Adopting, and Implementing Marine Protected Areas in Antarctica's Southern Ocean* (PI; \$250,000).
 2012-17 Stanford University, EIPER, William & Eva Price Dissertation Fellowship Fund
 2016 Scientific Committee for Antarctic Research. First Place Award, Oral Presentation
 2016 Stanford University, EIPER, Summer Research Grant
 2016 Stanford University, EIPER, Conference Grant
 2015-16 Switzer Foundation, Environmental Fellowship
 2014 Stanford University, EIPER Summer Research Grant
 2014 Stanford University, School of Earth Sciences, McGee Grant
 2013 Stanford University, EIPER Summer Research Grant
 2013 Stanford University, School of Earth Sciences, McGee Grant
 2013 National Science Foundation, Antarctic Service Medal
 2010 Kaiser Family Foundation, Kaiser Media Health Fellowship
 2009 Institutes for Journalism and Natural Resources, Environmental Journalism Fellowship
 2008 Scientific Committee on Antarctic Research, Conference Travel Fellowship
 2008 Moss Landing Marine Laboratories, Packard, Grant, Conference Travel Fellowship
 2007 American Fisheries Society, First Place Award, Student Oral Presentation.
 2007 American Fisheries Society, First Place Award, Student Poster Presentation
 2007 Professional Association of Diving Instructors, Project AWARE Grant
 2006-07 Environmental Entrepreneurship Program, NOAA Minority Student Graduate Fellowship

SERVICE & LEADERSHIP

2018-present Standing Committee on the Antarctic Treaty System, Scientific Committee on Antarctic Research, Member.
 2012-present Journal Reviewer for *Science*, *Conservation Letters*, *PLOS ONE*, *Frontiers in Marine Science*, *Antarctic Science*, *CCAMLR Science*, *Global Environmental Change*.
 2018-present University of Colorado, Boulder, Undergraduate curriculum committee.
 2018-present University of Colorado, Boulder, Peer classroom evaluation committee.
 2014-15 Stanford University, Emmett Interdisciplinary Program in Environment and Resources, Executive Committee, Student Representative.
 2013-14 Stanford University, Graduate Student Advisory Council. President.

2012-14 The Coastal Society. Stanford University Chapter. President.
 2013 Stanford + Connects. Stanford University Alumni event. Student Ambassador.

MENTORING & ADVISING

Doctoral students

2018-present Rawinorn Dulyakasem. PhD student, Environmental Studies Program, University of Colorado, Boulder. Primary advisor.
 2018-present Emily Nocito, PhD student, Environmental Studies Program, University of Colorado, Boulder. Primary advisor.
 2018-present Brendan Buzzard. PhD student, Environmental Studies Program, University of Colorado, Boulder. Member of thesis committee.
 2018-present Joel Singley. PhD student, Environmental Studies Program, University of Colorado, Boulder. Member of thesis committee.

Master's students

2018-present Zephyr Sylvester. MS student, Environmental Studies Program, University of Colorado, Boulder. Primary advisor.
 2018-present Diana Dorman. MS student, Environmental Studies Program, University of Colorado, Boulder. Member of thesis committee.
 2017-2018 Emily Nocito. University of Maine, Orono. Topic: Marine Protected Areas and regional fisheries management organizations: Defining “success” for conservation and management. Master’s Thesis Committee Member.

Undergraduate students

2016 Stanford University. Academic mentor, *Senior Reflection*, art & science undergraduate senior project.

PROFESSIONAL AFFILIATIONS

American Association for the Advancement of Science
 Association of Polar Early Career Scientists
 Scientific Committee on Antarctic Research
 American Fisheries Society
 Society for Environmental Journalists
 Gedakina (Native American education and outreach non-profit)

SKILLS & CERTIFICATIONS

Data analysis: Quantitative and qualitative software including NVIVO
 Spatial analysis and mapping: ArcGIS
 Graphics and image editing: Adobe programs
 Media software: Final Cut Pro, Audacity, Soundslides
 Communications skills: videography, photography, radio and podcasts
 Website: Development, design and content
 Scuba Diving: AAUS scientific diver, nitrox, open water
 First Aid: Wilderness First Responder, CPR, Basic First Aid
