Internship available these semesters (please mark one or more semesters):

Spring ___ **Summer** _X_ **Fall** ___

Brief description of Your Organization:

GreenPlay LLC: GreenPlay, LLC, was founded in 1999 and is headquartered in Colorado with ten regional offices around the country. We operate as a consortium of experts specifically to provide management and consulting services for parks, trails, recreation, open space, and related quality of life agencies. We serve as a resource for agencies by organizing teams that are responsive, experienced in the field, and who understand the needs of individual communities. Our firm works nation-wide with 22 employees and over 75 technical consortium affiliates and sub-consultants to complete projects for large and small agencies throughout the nation. GreenPlay has successfully completed nearly **600 projects**, working with local, state, and national government agencies, as well as with private sector organizations.

GREEN represents our passion for parks, recreation, and open space and our continued goal for environmental sustainability in all projects.

PLAY represents the recreation professional who actively demonstrates the joy of spending time doing things they love.

GREENPLAY works together with organizations to help solve their problems and achieve unified goals. By performing these services, we simplify your job and make working together fun.

Describe the nature/goals of the project(s)

- Develop an online social media strategy and implementation plan for GreenPlay to expand our reach, better tell our story, and help our clients better understand our services
- Participate in and provide constructive feedback on the virtual community engagement process to more adequately hear from residents and stakeholders
- Assist with organizing and consolidating trends library related to parks, recreation, and health
- Assist with updating of national email list, website, and other marketing materials
