Contact person: Mir Murphy

E-mail: mir.murphy@saoradh.com (preferred contact method) **Phone:** (303) 448-2115 (office)

Internship available these semesters (please mark one or more semesters):

Spring Summer Fall

Brief description of Your Organization:

Saoradh Enterprise Partners (SEP) is a venture capital firm focused on disruptive sustainability and cleantech. SEP's approach is made unique by its innovative market and technology research platform, utilized by its investment funds and corporate clients. The SEP team partners with entrepreneurs, innovators, research institutions, and corporations to build companies and identify emerging opportunities in the realm of sustainable technology.

Describe the nature/goals of the project(s):

Analyst interns will be involved in several projects for a cleantech venture capital firm, including internal activities and projects for clients and portfolio companies. Interns will get the opportunity to work on a variety of assignments, which may include:

- Conducting market, industry, and technology research to support clients and portfolio companies and inform SEP's business strategy and investments.
- Organizing and presenting data and other information gathered during the research process.
- Preparing or aiding financial analysis and data modeling.
- Assisting with communications and design projects for the firm and its portfolio companies.

Work will take place primarily at the company's offices in Boulder. Some interaction with portfolio company or client personnel.

Please list required and/or desired skills and qualifications:

SEP is seeking interns with a strong interest in sustainability as it relates to emerging technology, entrepreneurship, and finance -- intern cohorts typically include students pursuing undergraduate degrees in business, engineering, environmental studies, science, and/or economics. Fluency with Microsoft Office and Google Suite is important (particularly Word/Docs, PowerPoint/Slides, and Excel/Sheets). SEP spring semester interns are typically juniors or rise seniors (expected graduation of winter 2022 or spring 2023). **Students can apply on Handshake (Job ID #5643253) or send their resume, unofficial transcript, and cover letter to mir.murphy@saoradh.com by January 5th, 2022.**
