492-7741_____

Internship available these semesters (please mark one or more semesters):

Spring ___ **Summer** x **Fall** ___

Brief description of Your Organization:

Internships abroad provide students with the opportunity to combine experiential learning and academic theory as a means to gain professional experience and to develop a new perspective on a career field. You will experience what it's like to navigate work culture in your host country and have the chance to expand your international network all while earning academic credit. Education Abroad offers several types of internship programs.

Describe the nature/goals of the project(s):

Dale Miller, ENVS Internship Faculty Sponsor

Dale.Miller@colorado.edu

Phone: (303) 492-6629
