Brief description of Your Organization:

UHG (Unless Holding Group) is a full-service sustainability and management consulting firm based in Boulder, CO. At UHG, we understand that a business's future success depends on its ability to adapt to the changing environmental, economic, and social demands of the world. Adopting sustainability strategies increases a business's profitability, while building a healthier planet. With deep knowledge and experience across industries, UHG offers an impactful range of technical expertise to tackle business challenges and help create long-term sustainable competitive advantages.

Describe the nature/goals of the project(s):

Provide analysis, research, coordination, and operational support for current UHG projects. UHG projects range from renewable energy development, land conservation, building efficiency, and battery storage.

Please list required and/or desired skills and qualifications:

Project Management
Basic Excel, Word, and PowerPoint skills
Organizational Skills (time management, scheduling, etc)
Passion for sustainable business
