

Dept. of Ethnic Studies: Faculty Course Request Form, AY 2019-20

Each faculty member should teach one large class per year (usually at the 1000 or 2000 level), two 3000-level courses, and one 4000-level or graduate seminar. Please make sure to include one course required for the major: ETHN 2001 (Foundations), 3501 (Theory, Methods, and Writing), and 4951 (Senior Seminar), and/or comparative classes.

Each program area should coordinate to ensure that the Intro course is taught at least once during the year (Intro classes will be taught 3 days/week with TA support and cannot overlap with grad courses, which are usually taught in the afternoon/evening). In addition, each program area should offer a variety of 2000-3000 level classes satisfying core requirements, 3000-4000 level specialty classes, and possibly 5000-6000 level graduate courses.
