Instructional Mode Key

Remote & Online: This class will be taught using a combination of online and remote instruction modes. This means that while some coursework may be completed online at a student's own pace (asynchronous), the class will also meet remotely at designated days/times each week.

Remote: This class will be taught synchronously as a remote section, which means classes will be held virtually during the days and times listed.

In Person or Remote: This class offers students the option of attending In-Person or Remotely (synchronous).

In Person: This class will be taught in person with all students attending each scheduled class.
