Get Access to Career Resources and Make Connections to Help You Get a Job in Water

Student Membership is Just $10.

Get access to career and academic resources for 12 months for just $10—a $10 savings. Use the Student Membership form or promotional code 10STU online at checkout to learn more. Visit www.awwa.org/students

1. Find a Job
Put your degree to use. You’ll have access to all listings in our Career Center—the best place to find water industry jobs.

2. Network With Water Industry Professionals
Make connections and meet the right people. AWWA members have many opportunities to network with water professionals and participate in workshops, volunteer events, and webinars. Build important skill sets while making friends and important professional connections.

3. Pay for Your Education
AWWA awards scholarships worth over $100,000 to undergraduate and graduate students for their work studying water issues.

4. Present Your Research
Student members are encouraged to present their work at AWWA international and local events and conferences.

5. Get Access to Resources
You’ll have access to peer-reviewed Journal - AWWA, the premier water industry magazine, as well as a full resource community covering a wide variety of water-related topics.
