More information about this job:

Job Description:
Dewberry is currently seeking a Civil Engineer Intern to work on a variety of water/wastewater related projects in our Denver, CO office. This is an excellent career opportunity for an enthusiastic and talented individual to join a team of outstanding professionals. This position offers potential for professional growth in a great working environment and the opportunity to apply the latest technology to help our clients solve their most challenging problems.

Responsibilities:

- Design water collection, storage and distribution systems as well as water treatment systems.
- Design wastewater collection and transmission systems as well as wastewater treatment systems.
- Conduct alternative technology evaluations.
- Perform hydraulic modeling, prepare specifications and design calculations and prepare technical memoranda.

Required Skills & Required Experience:

- Pursuing a B.S. in Civil, Environmental or related Engineering is required.
- Pursuing a Master’s in Civil, Environmental or related Engineering is a plus.
- Previous internship experience in a related field is a plus.
- Working knowledge of AutoCAD is a plus.
- Experience in Microsoft office is required.
- Excellent verbal and written communication skills are required.
- Must be able to work in a team environment and possess excellent interpersonal skills.

*At this time, Dewberry will not sponsor a new applicant for work authorization.

*Dewberry is an Equal Opportunity/ Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, protected veteran status, gender identity or sexual orientation.

*Prior to a final offer of employment, the selected candidate will be required to submit to a background screening which may include, but is not limited to, employment verification, educational and other credential verification, driving record check, criminal background check, and an investigative consumer report. These screenings will be conducted by Dewberry’s background vendor of choice and will be conducted in compliance with all applicable federal, state, and local law.
