Is engineering one of your passions?

want to give back to the community?  need to meet outreach requirements for a scholarship?  love to teach to kids?

Yes? Then we need YOUR help teaching engineering to K-12 students!

Volunteer your time to lead a TEAMS Afterschool Engineering Club for the spring semester:

- Clubs run the week of February 8th thru the last week of classes.
- Meet one day a week, Mon-Thurs, in Lafayette or Longmont between the hours of 2:30-5:00pm (must commit for the whole semester).
- You are teamed up with 2-3 other CU engineering students.
- A hands-on engineering "activity kit" provided each week.
- No car? No problem—we will find you a ride!

To sign up, email janet.yowell@colorado.edu or stop by room 1B25 in the ITLL
