MEET
WSP | PARSONS BRINCKERHOFF

Thursday, November 5th, 6:00pm
Engineering Center ECCR Room 245

Join us for an informal discussion, pizza and a presentation of our firm’s design capabilities and recent project wins.

About WSP | Parsons Brinckerhoff

WSP | Parsons Brinckerhoff, one of the world’s leading engineering and professional services consulting firms, provides services designed to transform the built environment and restore the natural one. The firm’s expertise ranges from environmental remediation and urban planning, to engineering iconic buildings and designing sustainable transport networks, to developing the energy sources of the future and enabling new ways of extracting essential resources. Approximately 32,000 employees, including engineers, technicians, scientists, architects, planners, surveyors, program and construction management professionals, as well as various environmental experts, work for this dynamic organization in more than 500 offices across 40 countries worldwide.

ON-CAMPUS INTERVIEWS
Friday, November 6

On-campus interviews for candidates seeking full-time employment will be held on Friday, November 6th. Interview slots are limited and will be reserved on a first-come, first-served basis.

If interested, please sign up after our presentation on November 5th. For conflicts or candidates interested in internship opportunities, please submit a resume and cover letter via email directly to Nikki Hammer at nicole.hammer@wspgroup.com.
