

# BBC Epic 100 - 100 Miles

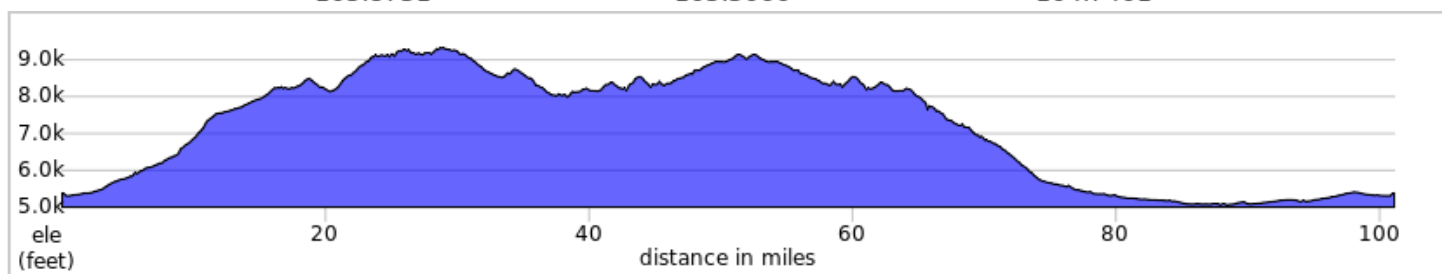

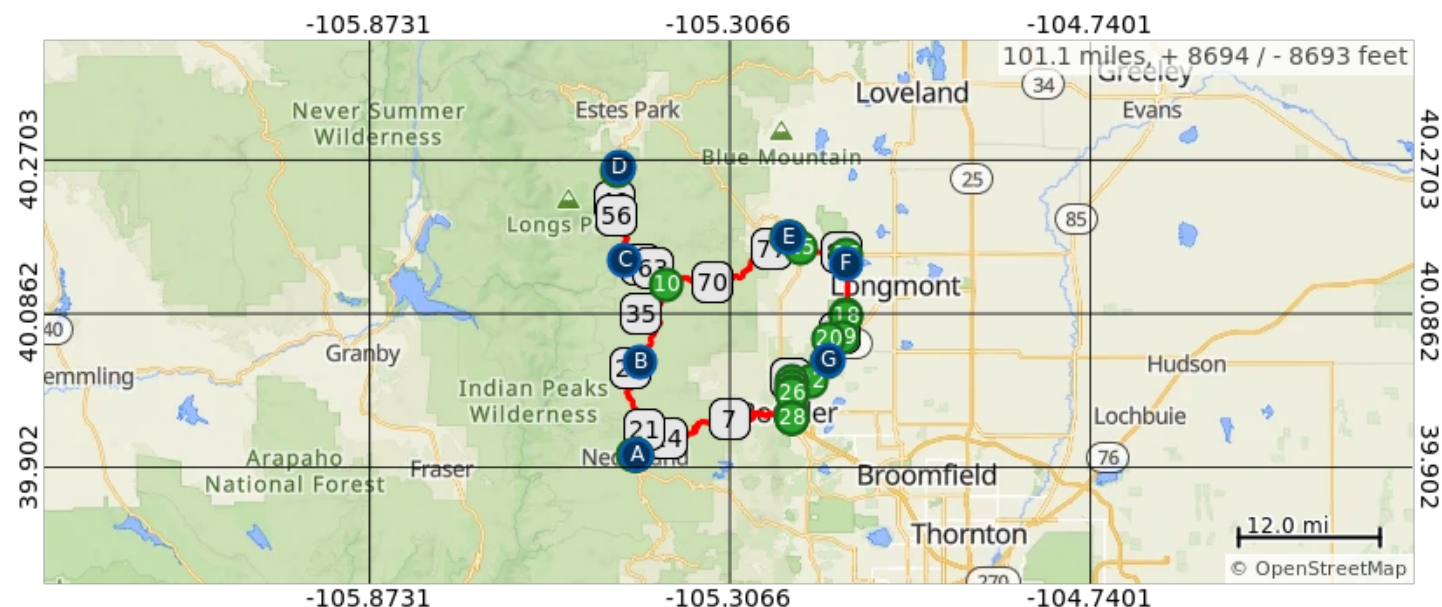

Did you know that BBC is the only event of the year where Boulder Canyon is closed to vehicular traffic? It's true!

Are you ready to tackle the toughest road ride on the Colorado front range? The Buff Epic is a grueling 100.2-mile ride with an elevation gain of 8,694 feet. This course is designed for seasoned cyclists looking to push their limits and conquer the ultimate test of endurance.

As the hardest course in the Buffalo Bicycle Classic, the Buff Epic promises breathtaking views and a sense of accomplishment like no other. Plus, by participating, you'll be supporting scholarships for students at the University of Colorado Boulder.
