

Section A – General Project Standards

A0000 – Introduction and Principles
A0010 – Project Development Process
A0020 – General Design Requirements
A0021 – Space and Building Requirements
A0022 – Interface with Campus Entities
A0023 – General CAD/BIM Requirements
A0030 – Document Management
A0040 – Accessibility
A0050 – Signage and Wayfinding

Section B – Structure, Building Envelope, and General Building Components

B0010 – Building Elements Demolition
B1010 – Foundations & Foundation Concrete
B1011 – Structural Analysis and Design
B1012 – Building Superstructure
B1013 – Structural penetrations in Existing Buildings
B2010 – Exterior Walls
B2011 – Exterior Wall Fenestrations
B2020 – Roof Coverings
B2021 – Roof Openings
B3010 – Doors
B3011 – Door Hardware
B3012 – Electro-Mechanical Door Hardware
B3020 – Painting
B3030 – Stairs and Railings

Section C – Interior Construction and Finishes

C1010 – Interior Partitions
C1020 – Fixed Furnishings and Equipment
C1021 – Interior Accessories
C2010 – Wall Finishes

C2020 – Floor Finishes
C2030 – Ceiling Finishes

Section D – Building Services

D0000 – General Mechanical
D0010 – Commissioning
D1010 – Vertical Transportation
D2010 – Plumbing Fixtures
D2020 – Domestic Water Distribution
D2030 – Sanitary Waste
D2040 – Rainwater Discharge
D3010 – Heat Generating Systems
D3020 – Cooling Generating Systems
D3025 – Air Filters, Air Inlets, and Ductwork
D3030 – Distribution Systems
D3035 – Building Steam Distribution Systems
D3040 – Terminal and Package Units
D4010 – Fire Protection
D4020 – Fire Protection Specialties
D5000 – General Electrical Requirements
D5010 – Electrical Service and Distribution
D5020 – Lighting and Branch Wiring Requirements
D5030 – Emergency and Standby Electrical Systems
D5040 – Fire Alarm
D6010 – General BAS Controls
D7000 – General Information Technology
D7010 – IT Pathways
D7020 – IT Cabling
D7030 – IT Equipment Rooms
D7040 – IT Contractor Requirements
D7050 – IT System Testing and Labeling
D7060 – IT CAD Requirements
D7070 – Audiovisual System Standards
D7080 – Distributed Communications and Monitoring
D7090 – Wireless Communications

Section F – Special Construction

F1010 – Laboratory and Research Area Renovation and Construction
F1020 – Laboratory and Research Mechanical Systems
F2010 – Housing Interior Standards
F2020 – Housing Integrated Security Standards

Section G – Sitework and Utilities

G0010 – General Site Requirements
G0011 – Site Storm Drainage Criteria
G0020 – General Landscape
G1010 – Erosion Control and Site Clearing
G1020 – Earthwork and Grading
G1030 – Surveying and Utility Locates
G1040 – Tree and Plant Protection
G2010 – Pavements
G2011 – Decorative Paving
G2020 – Site Furnishings
G2021 – Site Structures
G3000 – General Utilities
G3001 – Utility Metering
G3010 – Water Supply
G3020 – Sanitary Sewer
G3030 – Storm Sewer
G3031 – Foundation Drainage Systems
G3040 – Irrigation Systems
G3050 – Steam and Condensate Distribution
G3060 – Chilled Water Distribution Systems
G3070 – Medium Voltage Distribution
