This form is used to verify your family size as reported on the Free Application for Federal Student Aid (FAFSA). You (the student) are automatically included in the household. *Attach a separate page if more space is needed.*

1. List family members related to you (the student)

Do not list yourself. Include your spouse (if married) and any children or family members who **you claimed on your 2023 tax return as dependent** between July 1, 2025 and June 30, 2026 and who are:

- Directly related to you or related through marriage (i.e. children, spouse, step-children, cousin, niece, nephew)
- Family members receiving support who don't live with you (i.e. parents)

For each family member, complete all fields. If field is not applicable, write NA. Do not leave blank.

Full Name of Family Member or Spouse	Relationship to you	Age

2. List other people who live with, but are not related to you (the student).

Only list people who received more than half their support from you as of the date you completed the FAFSA and will continue to be supported between July 1, 2025 and June 30, 2026. Support may include food, housing, medical care, transportation, clothing and personal items.

Do not list children or anyone related to you. Examples: student's boyfriend/girlfriend, family friend, etc.

Name of Unrelated Family Member (receives at least 51% support)	Relationship to you	Age
Kenneth McCormick (example)	Family Friend	22
