This form is to be completed by the student to verify information reported on the *Free Application for Federal Student Aid* (FAFSA). Our records indicate that you do not currently have a bachelor's degree, but you indicated on your FAFSA that you will have your first bachelor's degree by July 1, 2026. Incorrectly indicating you have already earned a bachelor's degree could reduce your financial aid eligibility.

Select one option below that applies to you:

I will not have my first bachelor's degree by the start of the 2026-27 school year.
Choose this option if you have not attended a college or university before or if you are in college right now, but will not have a bachelor's degree by the start of the 2026-27 school year.

☐ **I have or will have my first bachelor's degree by the start of the 2026-27 school year.**
Choose this option if you attended CU Boulder or another institution and you graduated or you are in college now and will graduate with a bachelor's degree by the start of the 2026-27 school year.

- If this option is selected, a graduation application must be on file in order to process this form.
- If you attended another institution, the Admissions Office may request official college transcripts.

☐ **I am enrolled in a concurrent bachelor's and master's degree program and will change to "graduate student" status in (select one):**

☐ **Fall 2026**   ☐ **Spring 2027**   ☐ **Summer 2027**
