Acknowledgement

As a basis for nondegree loan eligibility at the University of Colorado Boulder, I understand and agree to comply with the following terms:

- Title IV loan eligibility is limited to a maximum of 3 consecutive terms (i.e. fall, spring, summer).
- You must enroll at least half time (6 credit hours) each term to be eligible for aid.
- A student is ineligible for nondegree aid if concurrently admitted to a degree program at another institution.
- Each semester and cumulative GPA must be a minimum of 2.0.
- You won't be eligible for future nondegree federal aid if you receive an I, F, or W for any coursework during a term. Withdrawing from a term will result in an adjustment to your aid.
- Satisfactory completion of coursework taken as a nondegree student does not guarantee admission into a degree program.
- Nondegree students applying to a graduate program may be limited in the number of transferable credits into graduate program.

By signing this form, I understand that financial aid received through this program is to be used for paying my bill. I further understand that if I exhaust my financial aid eligibility within 3 consecutive terms, I'm responsible for the remainder of my bill.
