

Graduating Student Eligibility Form

Name: _____
Student's Name (Last, First, M.I.)

ID: _____
Student Identification Number (SID)

This form is for financial aid purposes only. Completing this form will not change your graduation date with the university or your academic department. Please complete this form if:

- You have applied for graduation, but will postpone graduation, **or**
- You will graduate (or have graduated) and begin a new program at CU Boulder.

If you graduate and begin a new program at CU Boulder, you must be **enrolled in the new degree program** to receive financial aid in subsequent terms. If you are pursuing a second major in your current degree program, you must be admitted to the new degree program in a future semester in order to continue to receive financial aid. Graduating with one degree and *continuing* in a second program does not qualify you to continue to receive financial aid.

Work-Study Recipients: If you graduate, you cannot continue earning work-study beyond the work-study cutoff date for that semester. You will not be eligible for work-study in any future semester unless you have been accepted into a **new degree program**. If you have questions about work-study, please contact Student Employment at 303-492-7349.

Please indicate your plans:
