

# ANNOUNCING NewCUpubs

---

**a new service for faculty**  
provided by the Office of Faculty Affairs

Faculty Affairs

UNIVERSITY OF COLORADO BOULDER

## What NewCUpubs does for you and the campus

- **Saves** time by claiming FRPA and CUBE publications for you
- **Informs** campus communicators much earlier for news releases and features
- **Informs** the University Libraries and social media channels to promote your work
- **Activates** your Altmetric score
- **Provides** information for your unit's website and for grant reporting needs

## Tell us about your 2018 publications

Send just the basics: The expected title, journal name and publication month to **[NewCUpubs@colorado.edu](mailto:NewCUpubs@colorado.edu)**. We will fill in the details and update your CUBE information so it's in your FRPA when you are ready.

# Do you have soon-to-be-published books and articles?

## What you can do

- 1 Put your ORCID on your publication submission.** If you need an ORCID, register free of charge at [orcid.org](https://orcid.org). Contact campus ORCID support at [orcid-support@colorado.edu](mailto:orcid-support@colorado.edu) for assistance. See more information at [colorado.edu/fis/orcid](https://colorado.edu/fis/orcid).
- 2 Notify us of your upcoming books and articles.** Send your new publication information to [NewCUpubs@colorado.edu](mailto:NewCUpubs@colorado.edu).
- 3 Visit your CUBE profile** for publications prior to 2018.

## We are here to help you

### Sharing basic information about your upcoming publications will:

- Create the starting point for the campus and your unit to celebrate your published work
- Simplify your FRPA and CUBE reporting efforts
- Help to publicize your scholarly contributions

### For more information:
