

2025 Volunteer Day of Service Job Descriptions

Job Name	Group Leader (assistant leaders)	Job Description	Shift Hours	No. of volunteers (max)
Main Campus Landscape Beds (morning shift)	Christian Parker	Enjoy time outside impacting the most visible parts of campus. Volunteers will assist with weed removal in landscape beds. This is very important to plant health and the aesthetics of campus. Removing weeds before they go to seed will also reduce the number of seeds in the seed bank. This, in turn, will reduce the number of weeds in the future. Working with our team, volunteers will see an immediate impact from their work!	10am - 12noon	15

Sticker Removal (main campus)	George Wallack	Come outside and enjoy the opportunity to make an immediate difference in the beautification of campus. Volunteers will assist with scraping and removing stickers which are located around main campus.	10am - 12noon	15
Re-Painting Handrails and Lightpoles (morning shift)	Erik Jesinski	Come outside and enjoy the opportunity to make an immediate difference in the beautification of campus. Volunteers will assist with re-painting handrails and light poles (only as far as we can reach) located around main campus.	10am - 12noon	15
Team Green Clean 'n Sort (morning shift)	Jason Tavares	Calling all zero waste super-heroes! Join our dedicated team of volunteers as we work indoors to learn about (and demo) sorting paper and recycling and/or head outdoors on golf carts to do an extra deep clean on our recycling enclosures so they sparkle when our students return. Join us and be a part of our mission to create a cleaner and greener campus! A good time will be had by all, and we've got an extra special little bit of sustainable swag to hand out to all participants.	10am - 12noon	6

Boulder Creek Clean Up (afternoon shift)	Charles Holstein	The Boulder Creek Path is a unique and defining landmark for Boulder, Colorado. It is a 5.5 mile paved trail that runs parallel with Boulder Creek to Boulder Canyon on the west end and Stazio Ballfields on the east end. The trail is used by many and offers great access to parks, shopping, the Library, Boulder Canyon, the Farmers Market and the University of Colorado. It is a popular trail that is used for exercise and alternative transportation as well as fun leisure activities such as fishing, tubing and kayaking. Volunteers will work to keep our creek and multi use path clean and beautiful by picking up trash and debris while having the opportunity to enjoy nature, be outside and give back to the community. This is a physical job and will require some stamina.	12:30pm - 2:30pm	15
Surplus Squad (morning shift)	Denise Worthington	The Surplus Squad volunteers will help our property services team by sorting surplus, crushing hard drives, loading pallets, taking apart chairs and furniture for recycle and more! Come and see what property services is all about.	10am - 12noon	5

Keys, Keys and More Keys (morning shift)	Cate Antil	This August, as students return and the campus comes alive, we're looking for curious, detail-loving volunteers to help us sort and organize keys. You'll get a hands-on look at how we manage access to every door on campus — and yes, you'll finally learn how keys really work! If you love puzzles, organizing, or just want to try something new, this is the perfect gig for you. Unlock your sorting skills with us!	10am - 12noon	2
