

Applications to join GPSG now open!

The Graduate and Professional Student Government (GPSG) has opened applications to join their team for the upcoming academic year! **Positions are paid with a biweekly stipend.** International students can apply, too! All GPSG positions (unless otherwise disclosed) are paid a bi-weekly stipend, which is not recognized as campus employment. International students can apply with no consequence relating to their visa work restrictions.

To learn more about the available positions and how to apply, please visit the website linked below. There, you will find an information packet that answers the big questions you may have about working with GPSG. And do not hesitate to reach out to us with any questions! **Nominations are due by tomorrow, April 4th, 2025!**

Important Upcoming Deadlines

US Student Fulbright information session update

You may have seen a message recently about an information session with a registration link. That meeting has been cancelled. Instead, the Office of Top Scholarships will hold a session on the US Student Fulbright Program by Zoom to share more about opportunities for U.S. citizens to pursue graduate or professional study, conduct research or teach English worldwide. This will be the main information session for the 2026–27 application cycle. Click the button below for the zoom link. Zoom will be held **April 7th, 2025, from 4-5pm MST.**

Department Social Events

GSPG Town Hall

The Graduate and Professional Student Government (GSPG) is hosting a virtual town hall with each college to obtain feedback about recent executive orders. All graduate students are invited to attend this event and voice your feedback. The purpose of these town halls is to hear from you, our constituents, so that we can advocate for your concerns. The event will be held on Zoom on **Thursday, April 3rd, 2025**, at 5-6 pm. The link is provided below.

Funding Opportunities

Scholarships and Stipends

Dallas Geological Society 2025 Scholarship

The Dallas Geological Society (DGS) Scholarships are one-year awards up to \$5,000 given to current undergraduate and graduate students pursuing a degree in Geological Sciences. Number of recipients and award amounts vary. Additionally, this year on behalf of the Dallas Geological and Geophysical Auxiliary (DGGA), the DGS will be granting special \$1,000 scholarship grant to the most outstanding applicant. Founded in 1952, the DGGA was founded by devoted wives of members to the respective Geological and Geophysical Societies. They have generously provided this year's special grant with the expectation that it goes to a deserving student who excels academically, socially, as well as being financially needy. Click the link to apply by **May 1st!**

Department of Energy (DOE) Office of Science Graduate Student Research (SCGSR)

The U.S. Department of Energy (DOE) Office of Science Graduate Student Research (SCGSR) program provides funding for Ph.D. candidates in the physical sciences to conduct part of their thesis research at a U.S. DOE National Laboratory. This is an excellent opportunity for accessing cutting edge instrumentation and facilities that may enhance the research of your faculty and the training of your

students.

Applications to the program require a research proposal prepared by the graduate student under the supervision of their Ph.D. thesis advisor, and the deadline of the current solicitation is **May 7, 2025**. More information below.
