Colloquium & Happenings

Dr. Ian Hillenbrand - Beyond Plumes and Rifts: A New Origin Story for Rare Earth Element Deposits

Join us this week for an exciting colloquium presentation by **Dr. Ian Hillenbrand** who will be discussing rare earth elements.

Join him on 2/4/26, 12:20-1:20 PM. In Benson Earth 380.

Coffee Social

Come join us this **Monday, February 2nd**, and every Monday from **10:30–11:30 AM** in Benson Earth 380 for some delicious coffee, tea, and treats! All students and faculty are welcome!

Fiske Planetarium Facilitator Opportunity

Fiske Planetarium is seeking graduate students and postdocs to serve as facilitators for the Science Under the Dome public talk series. Facilitators support engaging science talks for broad audiences and collaborate with Fiske on speaker recruitment and rehearsals. This is a commitment of about 10+ hours per semester. **Apply by February 6** using the short Facilitator Interest form. Interviews will follow.
