

Just to Remind You...

We are coming up to February- the shortest month with the most deadlines! Many internships, summer programs, jobs, and scholarships have February application deadlines. Now is a great time to reach out to faculty concerning reference and recommendation letters.

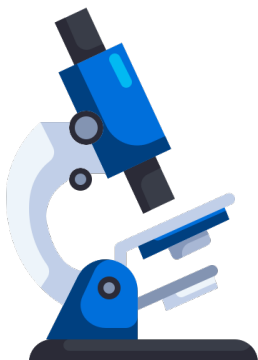

Don't forget to come to the BAJEDI Gear Swap this Wednesday! It will be the only one of 2025, so make sure to stop in. Please note: the location has been changed to BESC 1B75.

Important Upcoming Deadlines

Drop Deadline

The deadline to drop a main campus class without penalty is next **Wednesday, January 29th** at 11:59 PM.

[View Academic Calendar](#)

UROP Deadline

The deadline to apply to join the Undergraduate Research Opportunities Program (UROP) is **February 14th, 2025**. The program offers individual grants for both the academic year of 2025 to 2026 and the summer term of 2025, with one application for both. Joining UROP can help you explore and expand your skillset, so apply today!

Honors Thesis

Are you interested in doing an Honors thesis this fall?

Now is the time to get working! **April 29th** is the deadline to register your project with the Honors Council. Prior to that, you will have to find an advisor, develop your project, and meet with the Geology Honors Council representative (Professor Brian Hynek) to gain approval. Questions can be sent to hynek@lasp.colorado.edu.

Deadlines

Department Events

After Hours Game Night Tonight

Join us for After Hours at the CU Museum of Natural History, with our next installment of Game Night! We have a selection of card-, board-, and RPG style-games and you're welcome to bring your own, too. Snacks and refreshments provided! Stop by the Natural History Museum's Bio Lounge from **5:30 – 8:30pm tonight** to join!

Plus, now through February 7, enjoy the DIY Valentine-making station in the BioLounge. After crafting your card, bring it to the front desk with your Buff One Card and we'll pay for postage and deliver it to Loveland, CO! Through the annual "Valentine Re-mailing Program," your recipient will receive a delightfully kitschy postmark from Loveland. We'll have this set up during Game Night, so feel free to create your own Valentine in between game sessions!

Can't make it this time? Join us for our next Game Night on **Thursday, March 20!**

BAJEDI Gear Swap

Dear GEOL students, staff and faculty — the BAJEDI committee is hosting their 2025 Gear Swap next week! **This will be the only Gear Swap of the year, so make sure to stop by.**

Please consider donating any gently used gear to share with our community. Suggested items include functional camping equipment, backpacks, outerwear and geology gear.

Drop your items in the Front Office between Jan 20-

Then come to the Gear Swap in BESC 1B75 on **Wednesday Jan 29** between 3-5pm! You can come take any gear that might fit your needs, whether you made a donation or not.

GEOL Club Events

Come join the Geology Club **every Tuesday from 5:30-7:00 PM** for their new Office Hours! You'll have a chance to talk about classes, collaborate and connect with other students, and study in a community space. Office hours will be held in Benson 265 each week.

The Geology Club is also hosting a crash course in Front Range geologic history! Stop by Benson 265 at **5:00 PM on January 30th** for an exciting presentation by Jaxon Bartell. Snacks and drinks will be provided.

CRASH COURSE

FRONT RANGE GEOLOGIC HISTORY

Presented by... **JAXON BARTELL**

ROCKS! FAULTS! FOLDS! EROSION! OROGENY!

JANUARY 30TH 5 PM

JOIN THE CU GEOLOGY CLUB FOR A PRESENTATION ON THE FRONT RANGE GEOLOGIC HISTORY OF COLORADO!

BENSON 265

FOOD & DRINK PROVIDED!

Geology Advisory Board Career Night

Save the date! The Geology Advisory Board Career Night will be held on **Thursday, April 3rd from 5:30 to 7:00 PM**. Many of our alumni will attend to share information about their careers in industry, environmental geoscience, and government agencies, as well as to inform students about available opportunities. This is an excellent networking event, and these alumni provide a fantastic starting point for students to build connections and explore job opportunities. Plus, there will be pizza! Stay tuned for more details.

Talks and Colloquium

Geological Sciences Colloquium Speaker

On Wednesday, January 29th, Dr. Joanna Millstein will be visiting from the Colorado School of Mines as a colloquium speaker. As always, snacks and drinks will be available at 12:00 and the talk will begin at 12:20. Stop by Benson 380 to listen in!

Highlighted Scholarship

The Rocky Mountain Association of Geologists Foundation supports earth science research and academic studies for graduate and selected undergraduate students by providing 14 students with scholarship awards in 2025. Some of the scholarships are available not only to geology and geophysics students but to other earth science-related sub-disciplines including, but not limited to: geochemistry, hydrology, atmospheric and/or climate sciences, volcanology, mining-related studies, planetary sciences, surface processes, and glaciology. Please note, the deadline is stated as January 17th but has been extended to **January 26th**.

[Apply Here](#)

Highlighted Internship

Parsons is looking for 4-6 students for a paid summer internship. It most likely will include ~3 months of EMI field work at sites in either Southern California or Iowa. Parsons' internships typically run from June-August (Summer Internships), but they have some flexibility with this one where they could advance the start date for 1 or 2 positions to May to match up with the end of our spring semester.
