

Just to remind you!

We are coming up to February- the shortest month with the most deadlines! Many internships, summer programs, jobs, and scholarships have February application deadlines. Now is a great time to reach out to faculty concerning reference and recommendation letters. Below is our current repository of jobs, internships, and extra funding opportunities, take a look!

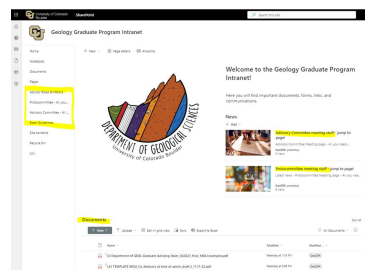

Don't forget to come to the BAJEDI Gear Swap this Wednesday! It will be the only one of 2025, so make sure to stop in. Please note: the location has been changed to **BESC 1B75**.

January Repository

Important Upcoming Deadlines

GEOL Proto & Advisory Committee Meetings

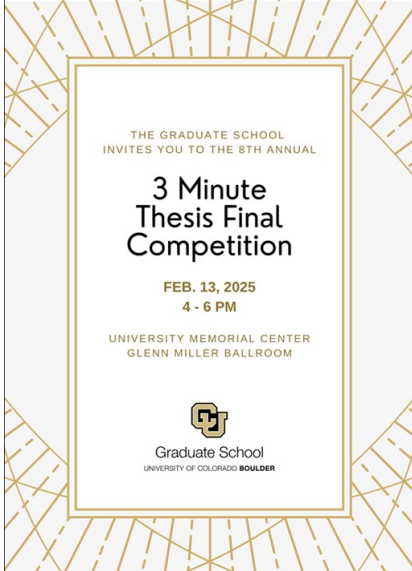

Recommended to be completed ASAP. Reminder to submit Committee Meeting paperwork to the Google e-inbox within 1-2 weeks of Committee Meeting. Questions? See Committee Meeting Guidelines (and lines 145-149) in SharePoint.

**SharePoint
Website**

3MT Final Competition!

The Three Minute Thesis Competition will be held February 13th in the UMC Glen Miller Ballroom from 4-6 pm. Use the link below to RSVP before February 7th!

Department Social Events

BAJEDI Gear Swap

Dear GEOL students, staff and faculty — the BAJEDI committee is soon hosting a 2025 Gear Swap!

Please consider donating any gently used gear to share with our community. Suggested items include functional camping equipment, backpacks, outerwear and geology gear.

Drop your items in the Front Office between Jan 20-29!

Then come to the Gear Swap in BESC 1B75 on Wednesday Jan 29 between 3-5pm! You can come take any gear that might fit your needs, whether you made a donation or not.

After Hours Game Night!

Join us for **After Hours** at the CU Museum of Natural History, with our next installment of Game Night! We have a selection of card-, board-, and RPG style-games and you're welcome to bring your own, too. Snacks and refreshments provided!

Game Night: Thursday, January 23 from 5:30 – 8:30pm in the Bio Lounge at the CUMNH

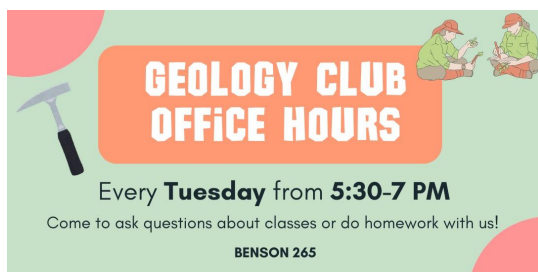

Colloquium and Happenings

Geological Sciences Colloquium Speaker

On Wednesday, January 29th, Dr. Joanna Millstein will be visiting from the Colorado School of Mines as a colloquium speaker. Talk will begin at 12:20 but light snacks and refreshments will be available starting at 12:00 pm!

[View Colloquium Schedule](#)

Geology Club Office Hours

Geo Club will hold office hours every Tuesday from 5:30-7:00pm in Benson 265 so that students can come talk about their classes, collaborate and connect with each other, and study in a community space. Stay tuned for more information!

Geology Advisory Board Career Night

Mark your calendars for the Geology Advisory Board Career Night on Thursday, April 3, from 5:30–7:00 PM! This exciting event brings alumni from industry, environmental geoscience, and government agencies to share career insights and opportunities. It's a fantastic networking event for students to build connections and explore potential career paths—don't miss out!

Funding Opportunities

Scholarships and Stipends

RMAG Foundation Scholarship

Extended Deadline! The RMAG Foundation is pleased to announce that applications are now being accepted for our 2025 scholarships. 2025 is the 50th Anniversary of the Foundation and we are excited to offer a new scholarship, the SM Energy Scholar Award. The \$10,000 award was established through the generosity of SM Energy and recognizes academic excellence by a graduate or undergraduate student studying petroleum geology or geophysics. The deadline to apply is Sunday, **January 26th, 2025!** Learn more through the link below!

CGWA Scholarship Applications NOW OPEN!

The Colorado Groundwater Association (CGWA) is announcing the availability of the 2025 Harlan Erker Memorial Scholarship. One or more scholarships of up to \$5,000 total will be awarded in April 2025. The scholarship is open to graduate students and senior undergraduates (as of Fall 2024) currently attending an accredited college or university in Colorado. The winning applicant(s) are required to present their research at a future CGWA monthly meeting and may

be invited to present at the annual symposium.

Department News and Features

Student Spotlight: Corey Flynn!

Congratulations to PhD student Corey Flynn, who has been awarded one of GSA's Structural Geology & Tectonics Division Outstanding Student Research Awards for 2024! This prestigious recognition is given to just 10 students each year for the highest-ranked graduate research proposals, along with additional funding to support their work. Well done, Corey, on this incredible achievement!

External Opportunities Outside CU Boulder

AAPG Student Research Symposium and Expo at the University of Oklahoma

The Student Research Symposium and Expo, sponsored by AAPG, will be held on Friday, March 14, 2025 at the National Weather Center on the OU Norman Campus. This event includes a poster session for students to showcase their research, awards for poster presentations, a variety of short courses and the opportunity for students to network with potential employers. This event is open to both undergraduate and graduate students. Register below for FREE!
