Describe payment plan options if applicable:

We offer payment plans for both residents and non-residents. We try to prioritize residents first, then new members, and then non-residents. They are paid in 3 equal installments, starting October 1st for our new members, and August 1st for our current members. We will send out an application form, and from there we will have a meeting with the members to assess the situation. We hardly reject anyone for a plan, as we want our members to enjoy the sorority experience without stressing about the financial burden. Reach out to our Director of Member Finance or anyone on the finance committee, and we would be happy to answer any questions!
