

Understanding Your Future College Teaching Environment

- 8:30 – 9:00 AM** Bagels with Cream Cheese, Peanut Butter, or Jelly & Coffee provided
Benson Lobby
- 9:00 - 9:15 AM** **Welcome**
Benson 180 **Laura L. B. Border**, *Director, Graduate Teacher Program & Collaborative Preparing Future Faculty Network, University of Colorado Boulder*
- 9:15 – 10:30 AM** **Keynote**
Benson 180 **Surviving and Thriving as a New Faculty Member**
Robert A. Bartsch, *PhD in Psychology, CU Boulder, 1995*
Associate Dean of Academic Affairs, School of Human Sciences & Humanities, University of Houston Clear Lake
Dr. Bartsch (a former Lead Graduate Teacher at CUB) will present a range of thoughts, experiences, and research on how new college and university faculty can be happy and productive in their new position. Advice will cover issues related to teaching, research, service, university citizenship, promotion and tenure, faculty development, and traps to avoid.
- 10:30 – 10:45 AM** **Break**
- 10:45 – Noon** **Where Do You Want a Job as a Professor?**
Benson 180 **Lunden Mann MacDonald**, *Former Lead Graduate Teacher in Spanish & Portuguese, Associate Professor, Metropolitan State College of Denver*
Donna Craine, *Chair of English and Communication, Front Range Community College*
Monte Anderson, *Lt Col, USAF, Assistant Professor, Department of Physics, United States Air Force Academy*
Suzanne MacAulay, *Chair, Visual Arts, UCCS*
How has your graduate experience prepared you and what is missing in your training? For example, are you prepared to teach at a liberal arts college, a military academy, or a community college? Do you want to focus on research or on teaching? Are you interested in service that includes student activities?
- Noon – 1:15 PM** **Participant Lunch: Sandwiches & drinks provided**
Benson Lobby
- Lead Lunch: With Former Leads & Future Leads**
- COPFFN Advisory Board Lunch: Meeting with Faculty Guests**
- 1:15 – 2:30 PM** **How Can You Succeed in Your On-Campus Interview at Our College?**
Benson 180 **Ken Sagendorf**, *Director of Faculty Development & Associate Professor, Center for Educational Excellence, United States Air Force Academy*
David Kendrick, *Director, Center for Teaching, University of Northern Colorado*
Louise A. Brown, *Biology Faculty, Front Range Community College*
Christy Carello, *Associate Professor, Biology, Metropolitan State College*
When should a graduate student begin working to prepare for a future job interview? How do interviews differ at liberal arts colleges, military academies, or community colleges? What happens during an academic job interview on the hosting campus? What should you wear? How should you prepare? What surprises may occur? When can you negotiate? Our panel provides insights and suggestions.
