

UNIVERSITY of  
DENVER

*Fall 2017 Site Visit*

*Thursday, October 19, 2017, 8:00am-3:30pm*

*This is an exciting opportunity to experience another campus on the Front Range. The participants on this site visit will be able to talk with faculty and staff across several departments and fields and find out what it is like teaching and being a faculty member at the University of Denver.*

*Graduate student participants from all campuses must submit a CV by Friday, September 29, 2017. They will then be matched with a faculty member from their discipline at DU. Participants will take a campus tour, meet faculty and staff, visit the department, and/or visit a classroom.*

*Attendance is limited to 10 CU Boulder graduate students. Site visit reservations will be allotted on a first-come, first-served basis.*

*Because of the arrangements with faculty and administrative time that DU will need to make ahead of time, participants must make a firm commitment to attend (i.e., no dropping out), so please think seriously about this before applying. Please view the site visit as a chance to learn about DU and as practice for future job interviews.*

*To reserve your place on the site visit, please complete [this online application](#) with your name, email, & upload a pdf of your CV.*

***Submit by Friday, September 29, 2017.***

*We will drive to Denver in a rented van. Please respond in this application if you want to ride with us. At CU Boulder, site visits count toward the site visit requirement for the Future Faculty Development Certificate. Graduate students (RAs, TAs, and GTPIs) are welcome to submit their requests for a reservation.*
