What Students are saying:

- *"...I love just how much you truly love history. I took a second class with you specially because I knew you would be the one giving me the knowledge. You are invaluable to the history community and unique in your knowledge of the dark ages and crusades. I could not have had a better teacher. Thank you Dr. Upton."*
- *"This class was great, even with the transition to remote learning...I like the structure of the class with analyzing primary sources!"*
