

HONR 4490-880

Capstone in Interdisciplinary Honors Studies

Kate Fischer
TTH 12:30-1:45

Norlin LIBR
N424A

Open to all Honors juniors and seniors interested in interdisciplinary approaches to conceptualizing, investigating, and solving problems. In this class you'll work on a project you're excited about in a small, supportive classroom environment and

hone your creative thinking, research, writing, and communication skills. Especially useful for those writing or planning to write a thesis and those who want to think across their liberal arts degree.
