

# Survey of Western Political Thought

PSCI 2004-888R

Join Dr. Jeffrey Chadwick as he takes you on a journey of western politics starting with the founding of the United States and moving forward.

Find out how the discipline overlaps with topics such as philosophy, economics, social justice, capitalism, and the law, from Plato to Marx, from James Madison to Martin Luther King Jr., and more.

Meets Tues-Thurs from 2:20-3:35pm
