

You're Gonna Go Far, Kid
Adrian Gluchowski

The picture submitted was my audition look for a local Denver competition called Ultimate Drag Battle at Tracks. I ended up getting a fast pass and got top 3 in the first round before Covid-19 shut it down. I am a QTPOC Drag King. My drag name is King Vaughnz. My goal is to connect with whoever I am performing for—to show that you can do what you set your mind to despite people that don't agree. Drag has helped me express myself in a way I felt like I couldn't—it has allowed me to find myself through gender expression and come out (as well as help others by sharing my story).
