

Public Health Emergency Leave Request Form

Name:	Employee ID Number:
Department:	Hire Date:
Supervisor Name:	Today's Date:

I am requesting public health emergency paid sick leave because (please check one):

Employees are eligible for supplemental sick leave for up to 80 hours (prorated based on percent of time and the employee's sick leave balance as of 1/1/21). Any supplemental leave granted will be used prior to the employee's sick leave accruals. After the exhaustion of sick leave, employees are eligible to use their accrued vacation leave and then leave without pay. Faculty are not eligible for vacation leave (with the exception of 12-month Libraries faculty).

As of 11/11/22, PHEL leave has been updated to include similar respiratory illnesses (flu, respiratory syncytial virus {"RSV"}, and similar respiratory illnesses). Those with flu or RSV symptoms already were likely covered as having Covid symptoms, but coverage will now remain if testing confirms a flue or RSF diagnosis rather than Covid. The update does not grant an additional 80 hours of leave for non-Covid conditions, it merely means that the 80 hours of leave can be used for a broader range of conditions.
