

Faculty Re-entry & Working Safely During COVID-19

- Has the campus made a decision to begin onsite teaching and learning?
- Do government orders allow onsite teaching and learning?
- Have appropriate PPE been put in place?
- Has consideration been given to staggering who is onsite and when?
- Do we have the will, processes & capacity to enforce compliance with new teaching and learning rules?
- Have steps been taken to prepare leaders to engage with others on returning to work?
- Do we have a plan in place should we need to return to remote teaching and learning?
