IAFS Majors and Minors,

Do you know a **graduating IAFS major** who's made a real impact through global engagement, service, or research? Please nominate them for the [IAFS Global Engagement & Service Award](#) - a **\$1,000** award - and yes, self-nominations are welcome! The nomination process is short and sweet (does not take much time) and we would love to see more graduates nominated!

You are receiving this email because your academic report indicates that you are in Senior academic standing and **may** be graduating in Spring 2026 or Summer 2026. If you are planning on graduating Fall 2027 or later, feel free to disregard this email! *(I promise, this is the actual last one! The next ones will only be to those who have applied to graduate!)*
