Hello IAFS Graduates (SP26, SU26, FA25),

We're getting close! This will be the last general update before a detailed day-of email arrives a couple of days before the ceremony. *We know not everyone receiving this email will be attending the IAFS ceremony. If that's you, feel free to disregard the event details below—and congratulations on your graduation!*

A few helpful reminders as you plan your day:

Timing & arrival

- The [main campus ceremony](#) will wrap up around 10:00am.
- Guest seating at the Limelight Flatiron Ballroom will **not** open until 12:00pm.
- Graduates should plan to arrive between **12:00–12:45pm** (no later than 12:50pm).

To make the most of that gap, we strongly encourage you and your guests to head to the Hill or Pearl Street for a relaxed lunch, coffee, or some celebratory time together before coming to the Limelight. It will make for a much more enjoyable experience than waiting around the hotel and helps us keep the event space running smoothly.

The IAFS Spring Graduation website includes:

- A layout of the Limelight Hotel

Previous emails (in case you didn't receive them)

- [Parking information](#)
- A link to [pre-register](#) with GradImages (20% off your order)
- Additional FAQs and event details

Quick reminders

- If you haven't RSVP'd yet, please do so—we're finalizing our counts.
- Wear your cap and gown (regalia).
- Bring your best energy—we're excited to celebrate you.

A detailed email with final logistics, reminders, and a few day-of tips will be sent shortly before graduation. We're so proud of you and can't wait to celebrate this milestone together!
