Scheduling Notes:	Do not schedule student events on a weekend or on a holiday (ex: St. Patrick's Day).
	Be considerate of religious and cultural holidays/seasons (ex: during Ramadan, events with food should begin after sundown).
	Before/After scheduled breaks or long weekends as students/staff/faculty may have travel plans.
	Football weekends will be challenging to find hotel space and parking for visitors.

Please check with IAFS Program Staff before scheduling events during the time frames below!
First and last week of each semester (enrollments, student issues, course scheduling)
