

INTERNATIONAL AFFAIRS **MINOR**

With an International Affairs minor, you will gain a **global perspective** to enhance your education in **any of the colleges or programs at CU Boulder**. Whatever your major, studying International Affairs will equip you with the knowledge and tools to address global challenges such as climate change, international conflict, and economic inequality.

Learn about the interconnectedness of nations and cultures through **IAFS 1000: Global Issues and International Affairs**. Take four upper division elective courses that interest you through our four **Functional Areas**. And bring it all together in a project or paper through the IAFS Minor Capstone course, **IAFS 3000: Special Topics in International Affairs**.

Functional Areas

- Development & Culture
- International Economics, Business, & Political Economy
- Political Geography, International Security, & Foreign Policy
- International Institutions, Rights, & Norms
