“I have loved being a mentor... Honestly, I have learned as much from my three mentees, including advice for my current job, as they have probably learned from me.”

Scott Renner (IAFS '86, Law '93)

IAFS Alumni and Friends,

My name is **Anthony Pusatory**, and I serve as the Mentorship Program Coordinator for the IAFS Advisory Board at CU Boulder. Now in its **fourth year**, the **IAFS Mentorship Program** continues to support the IAFS community, connecting alumni like you with current juniors and seniors majoring in international affairs.

**We are excited to invite you to participate in this awesome experience as a mentor for the 2024-2025 academic year.**

Your experience and insights can make a huge difference in the lives of our students as they look beyond graduation. Even if you've never mentored anyone before, your personal and professional experiences are invaluable.

If you are interested in participating in the program, we encourage you to find out more by visiting the **IAFS Mentorship Program website** and signing up on our **Mentor Registration Form**. *If you have been a mentor previously, feel free to **apply again** or email me directly at [anthony.pusatory@gmail.com](mailto:anthony.pusatory@gmail.com).*

**We are currently accepting applications from October 1-31, and mentor-mentee pairings will be made by November 20.**

We are committed to ensuring meaningful and productive mentor-mentee matches based on our students' interests and desired career outcomes. Your guidance and support can have a lasting impact on their academic and professional journey.

If you have any questions or want to learn more about the program's specifics, please visit the **IAFS**
