RENTAL CARS

All rental car companies at DIA are located on airport property, but are away from the main terminal. Each rental company provides a courtesy shuttle to and from Jeppesen Terminal from its location. All courtesy shuttles pick up and drop off on level five of both the east and west sides of the Jeppesen Terminal. Please follow the overhead signage for the appropriate pick-up location.

HOTEL SHUTTLES

Hotel shuttles are provided as a courtesy by most of the hotels within the immediate vicinity of the airport. Other hotels further from the airport also provide courtesy shuttles, but many direct their guests to use other transport services. Please check directly with your hotel to determine if it has a shuttle available

PUBLIC Transportation

Public bus service is scheduled and provided within the local metro area by the Regional Transportation District (RTD). RTD buses pick-up and drop-off from Jeppesen Terminal Level 5, Island 5, outside doors 507-511 (east side) and 506-510 (west side).
