

PHYSICAL DISTANCING PROTOCOLS IN CAMPUS BUILDINGS

General Building Access

Any individual entering a CU Boulder campus building or outdoor common area is required to adhere to the [CU Boulder COVID-19 Health and Safety Policy](#) and [campus requirements/guidelines](#) related to [eating/dining](#), [facial coverings](#), [symptom monitoring](#) and the [daily health form](#).

This includes:

- Adhering to posted occupancy limits within buildings.
- Following floor markings, signs and labels throughout the building designed to ensure physical distancing and coordinated circulation when applicable.

Classroom-Specific Protocols

- Sit only in designated seats and do not move/relocate any furniture.
- All furniture and seating must stay in its designated location.
- No food or drink is [allowed within any classrooms](#).
- All posted ingress and egress designations must be followed.

Elevator-Specific Protocols

- It is recommended that elevator use is minimized.
- Please find alternate routes such as stairwells when possible, especially when there are multiple individuals waiting for an elevator.
- Always give priority access to individuals with disabilities as well as to the elderly, pregnant women and people with small children.

Bathroom/Restroom-Specific Protocols

- Wash your hands with soap and water for at least 20 seconds after using the bathroom/restroom.
- Find the nearest alternate bathroom/restroom location if there is a wait for the bathroom/restroom.
- Do not wait inside of the bathroom/restroom for a stall or sink to become available. Please form a line outside of the bathroom/restroom with a minimum of six feet of distance between individuals.

Common Area-Specific Protocols

Any individual using a CU Boulder campus common area (including but not limited to lobbies, hallways, etc.) is required to:

- Sit only in designated areas.

- Do not move or relocate seating or furniture.
- No food or drink is [allowed within any common area](#).
- All posted ingress and egress designations must be followed.

Breakroom-Specific Protocols

- These areas should be used only for cleaning dishes, getting water, preparing food and similar activities.
- Clean and disinfect the areas and equipment that were touched before leaving.
- Follow [campus eating and dining protocols](#)
