

# CUbit

**QUANTUM INITIATIVE**

**Spring 2019  
Quantum  
Seminar Series**

*The CUbit Quantum Initiative is launching a new seminar series to highlight frontiers in Quantum information science and technology and to foster interdisciplinary communications and collaboration.*

Tuesday 3:30 p.m.      CASE Auditorium

## **Date      Speaker**

- |        |   |
|--------|---|
| 02/26  | Ania Jayich (Quantum sensing and imaging, UCSB)       |
| 03/12  | Andrei Faraon (Nanoscale and quantum optics, Caltech) |
| 03/19  | Markus Greiner (Ultracold quantum gases, Harvard)     |
| 04/02* | Vladan Vuletic (Experimental atomic physics, MIT)     |
| 04/16  | Kai-Mei Fu (Optical spintronics and sensing, UW)      |
| 04/30  | Jack Harris (Quantum optomechanics, Yale)             |
| 05/14  | Jonathan Home (Quantum information, ETH)              |

*Refreshments served prior at 3 p.m.*

*This seminar series is sponsored by CUbit with generous support of The Caruso Foundation.*

\* Note: April 2 seminar will be held in the JILA Auditorium
