

IPHY Major's Club
Application for student board positions

Name: _____
Student number _____

Please email completed applications to heidi.bustamante@colorado.edu , no later than Friday, September 6th. Notifications of board member selection will be made when a suitable number of applicants have been received to fill all of the positions. Selections will be primarily based on:

Grades earned in IPHY courses

Availability for meetings and events

Interview process

Intended date of graduation

Desire to build leadership skills

Past examples of leadership and/or past examples of ability to work effectively as a member of a team

1) When do you intend to graduate?

2) What is your current cumulative GPA?

3) Which student board position are you applying for? Select your top three choices (see attached descriptions and responsibilities of the positions).

4) What experience do you have that would make you an asset to the student board?

5) What three qualities do you believe your first choice for the board member should have? Which of these qualities do you believe is your strongest attribute? Please explain.

6) Part of your duties, aside from those that are directly involved with the Major's club and its activities, will be to train the student chosen as your replacement when you vacate your position. Will you have sufficient time to carry out this responsibility and what experience do you have as a supervisor/trainer that would allow you to be successful with this task?
