

Academic Advisor Academic Training Recommendation Form

Immigration regulations allow for the authorization of paid or unpaid training, work, or internships directly related to a J-1 student's major field of study as indicated on the DS-2019, when appropriate, provided authorization is received from International Student & Scholar Services (ISSS) for each employer and activity in advance of engaging in the activity, and maximum participation time limits are not exceeded [22 C.F.R. § 62.23 (f)]. Regulations indicate that J-1 students must obtain a letter of recommendation from their academic advisor/dean (at CU Boulder).

Please review the student's job offer letter and training goals and complete this form if the academic training experience your advisee is pursuing is an integral or critical part of his/her academic program at CU Boulder.

At the end of the Academic Training, the student and training supervisor will evaluate the training program based on the goals indicated on this form.
