What to Do If You Will Not Complete Your Degree by the I-20 End Date

If you will not complete your degree or coursework by your I-20 program end date — or if your plans change - please notify ISSS immediately.

You may be able to finish your degree while on OPT, but in most cases, you will be limited to working 20 hours per week until your coursework is completed.

If You Have NOT Submitted Your OPT Application to USCIS:

- ISSS can cancel the OPT recommendation in your SEVIS record.
- This allows you to preserve your OPT eligibility for this degree level.

If You HAVE Submitted Your OPT Application to USCIS:

- ISSS cannot cancel the OPT recommendation in your SEVIS record.
- You can request to withdraw the application directly with USCIS.
- Important Notes:
 - The application fee will not be refunded.
 - There is a chance that your OPT may be approved before the withdrawal is processed.

Reach out to ISSS to discuss your situation further.

When Can I Start Working?

You can only work in the U.S. after your I-20 program end date **if**:

- You have received your EAD card.
- You are within the OPT employment authorization period noted on the EAD card.
- You are working in a job *directly* related to your major field of study.

Employment Authorization Document (EAD).

OPT work authorization is granted in the form of an Employment Authorization Document (EAD).

Dates of employment authorization are listed on the EAD.

You CANNOT work before or after these dates.

Lost EAD

1. Check the mailing address accuracy on the form I-765.
2. Check with neighbors to see if the EAD was misdelivered.
3. Use the USPS tracking number that USCIS provided; check with [USPS](#) to see if they have confirmation of delivery.

Option 1: Open an inquiry with the USCIS Contact Center using the [USCIS Self Service Online Tool](#).

- Use this option if there was a USCIS error.
- No work is permitted during this time without the physical EAD.

Option 2: File a new I-765 application for a replacement EAD. Use this option if there is no explainable USCIS/USPS error.

- File a new [Form I-765](#) for a replacement card.
- What is your reason for applying? Please select “Replacement of lost, stolen, or damaged employment authorization document.” Indicate that yes, you have previously filed a Form I-765.
- Pay filing fee again.
- Upload copies of I-797 approval notice and the I-20 showing the original OPT recommendation.
- Receive receipt for replacement card filing. Verify with your employer/I-9 office: You may work up to 90 days with the I-797 receipt while awaiting your replacement card. (See USCIS Handbook for Employers M-274, Section 4.0 Completing Section 2 of Form I-9 and [Section 4.3 Acceptable Receipts](#).)

Complying with the F-1 Regulations While On OPT

Maintaining F-1 Status While on OPT

- When you are authorized for OPT, you remain in F-1 status
- Your F-1 status is maintained by working in a job that is directly related to your major field of study

What You Need to Know:

- You must continue to follow F-1 immigration regulations throughout your OPT authorization period.
- ISSS is here to support you during your OPT:
 - We can answer questions and advise on OPT-related issues.
 - We assist with SEVIS OPT reporting requirements.
 - We will continue to send important updates via email — please check your email regularly.

Unemployment Days

The F-1 OPT regulations allow students using the OPT benefit to accumulate up to 90 days of unemployment during the 12-month Post-Completion OPT authorization period.

- Unemployment starts to accrue from the start date indicated on the EAD.
- If you accrue more than 90 days of unemployment, you are considered out of status. Your F-1 status could be auto-terminated once you accrue more than 90 days of unemployment.

Nearing 90 Unemployment Days?

Options:

1. Leave the United States *before* you reach your 90th day of unemployment.
 - **Let ISSS know so that we can complete your SEVIS record.** If you do not let ISSS know of your departure, you will continue to accrue days of unemployment.
2. Apply for a SEVIS transfer or change of level.
3. Talk to an Immigration Attorney to seek a change of status to another visa type.

Employment on Post-completion OPT

Training/employment on post-completion OPT can be:

- Paid or unpaid
- Full-time or part-time (you must work at least 20 hours/week)

You may have multiple jobs and are also able to change jobs if:

- 1) Training is within the authorization period indicated on the EAD;
- 2) Every job must be *directly* related to your major field of study;
- 3) You are working at least 20 hours/week in your major field of study; AND
- 4) You report all new employment and changes **within 10 days** via the SEVP Portal.

Acceptable Training During Post-Completion OPT

Payment by Multiple Short-Term Employers

Obtain offer letter and maintain a list of all short-term employment including the employer's contact information and the dates and duration of employment.

Work for Hire (1099 employment)

An individual performs a service based on a contractual relationship rather than an employment relationship.

Self-Employed Business Owner

You may start a business and be self-employed. Should be able to prove you have proper business licenses.

Employment through an Agency

Must be able to provide evidence showing you worked an average of at least 20 hours per week while employed by the agency.

Volunteers and Unpaid Interns

- SEVP Post-Completion OPT Policy Guidance states that, "Students *may* work as volunteers or unpaid interns, where this practice does not violate any labor laws."
- Should the volunteer activity be seen as a violation of [U.S. labor law](#), then the activity **will not stop the accrual of unemployment days** and the activity could result in loss of status.
- If you would like to participate in volunteer work, then the opportunity needs to be a **formally established volunteer activity**.
- If a CU Boulder department wishes to create a formal volunteer position, then ISSS recommends the CU Boulder department consult [University Risk Management](#). Questions can be directed to: urmucbdirs@cu.edu

Work in Marijuana (Cannabis) Related Industries is Prohibited

International students in F-1 status should avoid marijuana use or anything associated with it as it may have negative immigration consequences. This includes working in industries associated with marijuana and cannabidiol (CBD) (e.g. working in a lab extracting CBD oils for medical purposes).

Please review these articles and videos:

- [Legal Colorado Marijuana Workers Denied Citizenship Over Work](#)
- [Colorado's 9News: Marijuana can disqualify you for citizenship](#)

OPT authorization comes to an end if...

1. An international student in F-1 status completes a **SEVIS transfer** to another school. OPT ends on the day the SEVIS record is released to the new school.
2. An international student in F-1 status begins study at another **educational level**. OPT ends on the day the new academic level is registered in SEVIS.

Consult with ISSS to plan the timing of a future SEVIS transfer and/or beginning a new level of study.

Ok...What Do I
Need to
Report?

You should receive an email from do-not-reply.SEVP@ice.dhs.gov with information about creating a [SEVP Portal account](#).

- If you do not receive the SEVP email and are in an approved period of OPT, fill out the SEVP Portal Account Help form in the [MyISSS Portal](#):

Relevance Statement

- When you enter a new job in the SEVP Portal, you will be asked to explain how your employment is directly related to your major.
- The [SEVP Policy Guidance: Practical Training-Determining a Direct Relationship Between Employment and a Student's Major Area of Study](#) states there needs to be a “logical connection” between the duties involved in the practical training opportunities and the student’s major field of study.
- It is the student’s responsibility to make the argument that their training relates to their field of study.
- Key Questions to Help Assess Relevance:
 - Does the training require a degree in my field of study?
 - Do the job duties utilize knowledge from my studies?
 - Are there specific courses I have taken that align with the job responsibilities?
 - Does the job description mention qualifications or knowledge that aligns with my field of study?
- ISSS recommends writing at least 3-5 complete sentences. Explain the relation between your job and major as if the person reading it is not familiar with your major.

Example of a Weak OPT Relevance Statement

Major Field of Study: Computer Science

How is employment directly related to major field of study?

I work as a computer scientist. It is related to computer science.

Example of a Strong OPT Relevance Statement

Major field of study: Computer Science

How is employment directly related to major field of study?

I am employed as a Computer and Information Research Scientist at ABC Research Institute. I work as part of a team of scientists and engineers that designs experiments to test the operation of various software systems. My work builds on research in complex algorithms and machine learning which I studied as part of my dissertation.

Sample Explanations of a Direct Relationship

- *Bachelor's degree in Electrical Engineering:* I work full time as an Electrical Engineer at ABC Corp., a government contractor. In my job, I analyze client requirements for electrical systems and provide them with cost estimates of such systems. My work requires understanding of electrical circuit theory, which I studied in-depth at the University of ABC.
- *Bachelor's degree in Business:* I work full time as a Loan Officer at a mortgage company, Happy Homes, where I meet with clients and evaluate, authorize and recommend approval of loan applications. On a daily basis, I use the knowledge I gained in my credit analysis, sales and marketing classes that I took as part of my major program of study.
- *Master's degree in Music:* I am working at a hospital playing the harp in patient rooms. I also conduct hands-on harp beginner workshops for long-term patients. On average, I work at the hospital 35 hours a week. My duties directly utilize the skills and knowledge I acquired from my coursework and degree in music therapy.
- *PhD in Computer Science:* I am employed as a Computer and Information Research Scientist at ABC Research Institute. I work as part of a team of scientists and engineers that designs experiments to test the operation of various software systems. My work builds on research in complex algorithms and machine learning. which I studied as part of my dissertation.
- *Master's degree in Kinesiology:* I am working 25 hours a week in a health food store as a consultant for Self-Made Inc., designing and teaching exercise classes that are incorporated into a customer's overall nutrition and exercise plan. My designs and customer instruction draw upon my studies and classwork in exercise therapy and physical reconditioning.

Reporting is your responsibility!

1. Enter every job you have into the [SEVP Portal](#).
 - If you fail to report your employment in the SEVP Portal within 10 days of the employment start date, an ISSS advisor will need to assist you with report employment. See **step 2 below**.
 - **Failure to update within the 10-day reporting period could be seen as a failure to maintain status!**
2. Fill out the [Post-completion OPT Information Update and Relevance Statement](#) in the [MyISSS Portal](#) for every job you have and request a new I-20 through that form.

Address Updates:

Update your address and telephone number in the [SEVP Portal](#) and [MyUSCIS Portal](#).

For alumni purposes, you can update your address in the [Buff Portal](#) and with the [Alumni Association](#)

Document Your OPT Employment!

Offer letters and agreements/contracts:

- job title and duties
- start/end dates
- pay rate
- number of weekly work hours
- Location
- supervisor's contact information.
- If you worked for an agency or consultancy, keep evidence of the projects you worked on.

Financial documentation:

- pay vouchers/pay stubs
- bank statements with direct or corresponding deposits
- W-2 tax forms

What Happens If I Don't Report My OPT Employment?

- If you try to enter your OPT employment in the SEVP Portal more than 10 days after your employment start date, you will be **prevented by the SEVIS system** from doing so. You will need to ask ISSS for assistance.
- You will **accrue unemployment days** starting on your OPT authorization start date. If you reach more than 90 days, you are considered out of status and your SEVIS record could be auto-terminated.
- Failure to report OPT details in a timely manner could be reflected on your SEVIS record and may **negatively impact your ability to apply for immigration benefits later** - such as an H-1B or an STEM OPT Extension.

Traveling While On OPT

Travel with OPT Pending

Travel while your OPT application is **pending** *after your I-20 end date* is not recommended.

- If your OPT is denied while you are outside of the United States, then you cannot re-enter the United States in F-1 status or reapply for OPT.
- If you are outside of the U.S., you may miss a Request for Evidence (RFE), should USCIS issue one.
- Your OPT could be approved during your absence, in which case, you would need the EAD and proof of pending employment to re-enter the U.S.
- If you must travel while your OPT is pending, travel with your OPT receipt notice from USCIS as proof of having filed for the OPT benefit. See [ICE Travel FAQ](#) for additional information.

Travel When OPT is Approved

If you do not have a job, travel outside of the U.S. is **not recommended** as the regulations allow re-entry to the U.S. to **resume** training.

A temporary absence from the U.S. should be less than 5 months

- Even with a job offer and valid EAD, an absence greater than 5 months will not be considered temporary and you could be denied re-entry to the U.S.

If you seek a renewal of your F-1 visa during your OPT authorization, you must:

- Present your OPT I-20 signed within the last **6 months**, passport, valid EAD, official job offer letter, SEVIS fee receipt, and financial support documents.
- Prove your eligibility for F-1 non-immigrant status and that you do not have immigrant intent.

****REMEMBER! Your EAD is not a visa. You will still need a valid F-1 student visa in your passport in order to re-enter the U.S. in F-1 status after most international travel.****

What Comes After OPT?

**WHAT'S
NEXT?**

24-month STEM OPT Extension

Who is eligible? Those who are...

- Currently in an authorized period of post-completion OPT with qualifying STEM degrees (previous U.S. degree or current U.S. degree).
- Have an employment offer with an E-Verify employer.
- Have employment is directly related to their major STEM field of study.
- Have not accrued more than 90 days of unemployment.

Cap-Gap Eligibility

Students with a pending or approved cap-subject H-1B change of status petition may remain in F-1 status during the “cap-gap” period – the time between the end of their OPT or F-1 status and the start of their H-1B status.

Cap-gap Eligibility Requirements:

- a cap-subject H-1B petition was filed as a change of status with USCIS; and
- USCIS receives the petition before the OPT/ STEM OPT end date or within the 60-day grace period; and
- The requested H-1B start date is April 1 of the fiscal year or earlier

Cap-gap will extend the F-1 status through the day before the approved H-1B start date. *Note:* If the H-1B was filed during the 60-day grace period, the F-1 status is extended but not the work authorization.

The cap-gap extension terminates automatically if the H-1B petition is denied, withdrawn, or rejected.

To request a Cap-Gap I-20, sign in to [MyISSS](#) and complete the **Cap-Gap I-20 Request** under *Training/Employment-Related Forms*.

I-9, Social Security, & Taxes

- **I-9 Employment Eligibility Verification Process:** All employees in the U.S. must complete the I-9 Employment Eligibility Verification Form with their employers within 3 days of starting a job.
- **Social Security:** Employment in the U.S. requires a Social Security Number (SSN).
- **Taxes:** Typically, non-resident F-1 students with authorized CPT or OPT are exempt from Social Security (F.I.C.A) and Medicare taxes if they are considered a non-resident for tax purposes.
- Federal, state, and local taxes will be withheld from your paycheck by employers unless you qualify for a tax treaty exemption. More information is available at the IRS website and ISSS website

ISSS does not provide tax information or advice. Please use the resources above or contact a tax attorney or specialist with questions or concerns.
