

## Confirmation of Final Semester

### Full-Time Enrollment Requirement

Immigration regulations require F-1 and J-1 students to be enrolled full-time, or an authorized equivalent, every semester of their degree program. Students in their final semester are eligible to be enrolled less than full-time for the number of credits remaining in their degree program. Physical presence (attending at least one on-campus course) is a requirement during the final term.

To receive approval to enroll less than full-time in your final semester, complete the form below.
