

India Student Remittance

Flywire has partnered with EBIXCASH allowing students to pay funds from India to the United States for education related living expenses directly to a student bank account.

Benefits include:

- ✓ The ease of sending funds to a student's bank account at great rates
- ✓ The convenience of paying online, from the comfort of one's home
- ✓ The collection of TCS and GST, as applicable, along with funds to be transferred so that the student only needs to make the payment once.
