Maintaining F1 immigration Status

- It is **YOUR** responsibility to maintain your immigration status.
- ISSS is available to answer questions and provide advice.

Know your resources:
- International Student and Scholar Services
- Student and Exchange Visitor Program
- Department of Homeland Security
- Customs and Border Protection
- Study in the States
1) Report your arrival to International Student & Scholar Services (ISSS)

It’s a 2-step process:

☑ Attend an Immigration Reporting Session

❓ Submit Immigration Reporting Form (Online through DocuSign).

You will:

• Upload your I-94 (and your dependents’ I-94s)
• Enter your local Colorado address and contact information
• Sign the Student Responsibilities Contract
2) Review the International Student Responsibilities Contract

- The information presented is summarized from the Student Responsibilities Contract.

- Read the full Student Responsibilities Contract to ensure you understand the information presented
  - It is attached to the back of the Immigration Reporting Session Handout Checklist.
3) Document Review

Passport

• Your passport is the legal document issued by your country of citizenship

• Your passport must always be valid:
  • at least 6 months after your date of entry
  • at least 6 months after your program ends
  • at all times while you are in the U.S.

• Renew your passport through your embassy or your consular office in the United States
3) Document Review

**Visa**

- Located in your passport
- Cannot renew in the U.S.
- It is okay if it expires while you are in the U.S.
- Need a valid visa at the port of entry (Canadian citizens do not need a visa).

- **Exception:** Travel to Canada, Mexico, or the adjacent Islands and qualify for [automatic visa revalidation](#)

---

**Did you know your visa can be revoked??**
Visa Revocation

• If you are arrested for a DUI (driving under the influence) your visa will be revoked.
  • Please note: As an international student studying in the U.S. you are subject to federal law, NOT Colorado state law

• A conviction is not required, just an arrest.

• If you exit the U.S. with a revoked visa, a new visa will be required for re-entry.

• If your visa is revoked, and you attempt to fly to /enter the U.S., you could be sent back by the airline before boarding the plane, before taking a connecting flight, or at POE.

• You may become ineligible for future benefits, such as employment.
Port of Entry Stamp in your Passport

Date of Entry: Your date of entry should be noted on the Port of Entry stamp.

Status: Your correct status should be noted on the stamp. F-1 or J-1 for most international students.

Expiration: D/S (duration of status)
Documentation of Status in the U.S.

- Duration of Status (D/S) vs. Visa Validity

- Remember! You can lose your status!

- Keep your documents safe

- ISSS only keeps your documents for 3 years after you graduate
3) Document Review

I-20 (Certificate of Eligibility)

- Needed to obtain your visa and entry to the U.S.
- **Make sure your I-20 is accurate at all times.**
  - If something has changed, please email sponsoredadvising@colorado.edu or see a Sponsored Student Advisor.
- Keep every I-20 you ever receive
- The expiration date depends on when you complete your course of study.
  - If you will not complete your degree or program by the end date on your document, request an extension at least one month before the document expires.

6) Maintain **full-time** enrollment

**Undergraduate Students:** 12 credit hours per semester

**Graduate Students:** 5 graduate credit hours per semester
- If you are taking a combination of graduate and undergraduate courses: 8 credit hours per semester
- Registration requirements may change later in a program.

**Your sponsor may require additional credit hours.**

**Note:** No more than 3 credits of distance learning credits (such as online course credits) will count towards the full-time requirement for both undergraduate and graduate students.
DO NOT DROP BELOW A FULL COURSE OF STUDY WITHOUT PRIOR APPROVAL FROM ISSS!

- Failure to maintain full-time enrollment after February 15, 2018 will result in the immediate termination of your F-1 SEVIS record and your permission to stay in the U.S.

- **On February 1, 2018, a hold will prevent you from dropping any courses.** You will need to see a Sponsored Student Advisor if you want to drop a course.

- **Reduced Course Load option:** F1 immigration regulations allow for a Reduced Course Load (RCL) for a few, specific medical and academic reasons. This requires prior approval from a Sponsored Student Advisor.
7) Course Types

► Your sponsor may not allow you to take online courses or courses through Continuing Education.

► It is your responsibility to make sure you comply with your sponsor's course type restrictions and requirements.

► Your sponsor asks us to report the types of classes you take.
8) Do NOT **work on-campus** for more than 20 hours per week while school is in session

**Note**: On-campus employment means:
1. You will be **paid by CU-Boulder**
   OR
2. You are working for a non-CU company that is **located on the CU Boulder campus** **AND** your duties directly serve CU Boulder students (such as working at Subway in the UMC).
   - **NOT** on-campus work: working online for a company not located on campus, driving for Uber or Lyft, or private tutoring.
9) Do NOT Work Off-Campus without authorization

- If you work off-campus without PRIOR authorization from a Sponsored Student Advisor, your F1 status will be terminated and you will have to depart the U.S. immediately.
  - You must receive approval for employment from ISSS first!
- You may be eligible for OPT and CPT after 2 semesters.
10) Do NOT leave the U.S. without letting ISSS know

- Do not take a leave of absence or withdraw from classes (*without prior authorization from ISSS*)

- **Before departing the U.S., it is your responsibility to notify the university and a Sponsored Student Advisor about your departure.**
Taking an international trip?

Get a Travel Signature!

11) Travel Signatures

• You need a travel signature on your I-20 to re-enter the U.S.
• Do not wait until the last minute! **Plan ahead!**

**A Sponsored Student Advisor will sign on page 2 of your I-20.**
12) If you want to transfer to another school, follow the immigration transfer procedures

- Complete the SEVIS Record Transfer-Out Request and provide ISSS with a copy of your proof of admission to the new school.
- You must ask a Sponsored Student Advisor to transfer your SEVIS record.
13) One semester before you graduate, come see a Sponsored Student Advisor so we can help you with your immigration options!
Observe the grace period upon completion of studies
60 days for F1 students

What is a “grace period”?

- **After successfully completing** your academic program at CU Boulder, you may remain in the U.S. for 60 days to finalize your next steps.
- **If you do not complete** your degree, you will **not** receive the grace period.
- After completing/terminating program, you can no longer enter the U.S. in F1 status using your completed I-20.
