

Student Intern Training Internship Placement Plan (T/IPP)

For ISSS to issue a DS-2019 for a J-1 exchange visitor student intern program, the department must submit a complete *DS-2019 Request (Student Intern)* and *Training/Internship Placement Plan (T/IPP)* in the MyISSS Departmental Services portal.

- Information submitted in the *Training/Internship Placement Plan (T/IPP)* e-form group will be used to populate a hardcopy DS-7002 Training/Internship Placement Plan (T/IPP) that the primary phase supervisor, student intern, and ISSS will physically sign.
 - Once issued by ISSS, the hosting department is responsible for mailing the signed, hardcopy DS-7002 to the exchange visitor student intern.

Phase Information E-Form

Each Training/Internship Placement Plan should cover a definite period of time and should consist of definite phases of training or tasks performed with a specific objective for each phase.

The plan must also contain information on how the trainees/interns will accomplish those objectives (*e.g. classes, individual instruction, shadowing*).

Each phase must build upon the previous phase to show a progression in the training/internship. A separate Training/Internship Placement Plan must be completed for each phase if applicable (*e.g., if the trainee/intern is rotating through different departments*).

Description of Trainee/Intern's role for this program or phase.

Specific goals and objectives for this program or phase.

Please list the names and titles of those who will provide continuous (*for example, daily*) supervision of the Trainee/Intern, including the primary supervisor. What are these persons' qualifications to teach the planned learning?

What plans are in place for the Trainee/Intern to participate in cultural activities while in the United States?

What specific knowledge, skills, or techniques will be learned?

How specifically will these knowledge, skills, or techniques be taught? Include specific tasks and activities (*Interns*) and/ or methodology of training and chronology/syllabus (*Trainees*).

How will the Trainee/Intern's acquisition of new skills and competencies be measured?

If this internship will include additional phases, the Department Administrator must initiate a separate Phase Information (Phase Supervisor) e-form for each phase of the Training/Internship Placement Plan.

- *Contact your Departmental Administrator to request the initiation of a Phase Information (Phase Supervisor) e-form for each phase of the student internship.*
