

## Boulder Jewish Family Service, Marketing Intern 2017-2018

In this internship you will assist Boulder Jewish Family Service in increasing our marketing and outreach efforts to the Boulder community. This is an excellent internship for anyone interested in working in a small, service oriented nonprofit. We primarily serve older adults and adults with disabilities by providing care management and volunteer friendly visitors. The marketing and outreach efforts include our assisting with our annual fundraiser in the Fall, improving Facebook exposure, developing social media initiatives, improving communication with our constituents, and exposure to direct client service and development.
