

Mabel Valdiviezo reunites with her family in Peru after 16 years of silence, confronting haunting childhood memories, her youth in war-torn Peru, and a troubled past as an undocumented immigrant in the United States. *Prodigal Daughter* is a cinematic exploration of family bonds, identity, belonging, and the transformative power of art through the narrative of human rights, gender, and immigration.

Join us for a special screening of *Prodigal Daughter*, followed by a Q&A with director Mabel Valdiviezo.
